- It was noted that the meeting scheduled for Tuesday 2 February 2016 was cancelled due to being inquorate.

EA1193/16 Matters Arising

EA1179/16 DriveSafe. It was asked what the current position on this initiative is. The Clerk advised that to date only one volunteer had come forward versus the ten that would be required to take the initiative forward. The Clerk added that the actions from the last meeting had been undertaken with the exception of writing to Hertfordshire Constabulary regarding different locations to perform speed checks as there is an insufficient number of volunteers at present to start the initiative in the first place.

A general discussion ensued about DriveSafe and how it works and it was suggested that perhaps details about it should be placed in the library to further encourage more volunteers.

EA1194/16 Works List

The Chairman introduced this item and invited any comments.

It was noted that the works list included works to hedging and it was asked about the recent training undertaken by the Rangers on hedge laying. The Chairman said that he had had a site meeting with the Rangers and a number of possibilities were looked at.

It was noted that reference was made to salt bins and in this context the Cllr commented that the lid of salt bin at the top of Mill Lane becomes detached.

It was asked what the situation is with recruiting a new Ranger. The Clerk advised that he would brief all Members on the position once the closing date for the post had past.

There were no other comments regarding the Works List.

Resolved:

- That the Works List for March 2016 be noted.

EA1195/16 Closure

There being no further business the Chairman closed the meeting at 8.14pm.
