<b>Why would you like to take up a position as a member of Croxley Green Parish Council?</b>  (Please continue on separate piece of paper if needed)	I have always believed that it is the responsibility of everyone to take their turn to give something back to the community in which they live and enjoy the benefits of, this opportunity would give me that chance. Having lived within the parish for the past 10 years, with my partner who has lived here for most of her life, I have grown to see why Croxley has such an appeal with its 'special' community atmosphere and its unique facilities and surroundings – which need to be protected and enhanced.
<b>What skills and experiences do you feel you could bring to this important role?</b>  (Please continue on separate piece of paper if needed)	Having worked as a Golf Club General Manager for the past 25 years I understand the importance of open spaces and the ability to work with the surrounding local community. I also fully understand the workings of any committee based organisation, as I currently sit on several varying committees within my present role. I have excellent communication skills and I am fully trained in dealing with the public on a day to day basis, I also enjoy public speaking when given the opportunity. As a Company Secretary, I am aware of a great number of the legal requirements of any organisation and have also previously held a position as a School Governor working on the 'Finance' sub-committee.

<p><b>Any further comments to the Parish Council in support of your application?</b></p> <p>(Please continue on separate piece of paper if needed)</p>	<p>Should you require a character reference then I am sure that one could be provided by either a current Parish Councillor or a County Councillor both of whom have known me for the past 10 years.</p> <p>Should you find another applicant more suitable, on this occasion, then please keep me in mind for a similar position in the future.</p>

## Casual Vacancy Application Form

<b>Applicant Full Name:</b>	David Ross Humphries
<b>Applicant's Full Address:</b>	32 Yorke Road Croxley Green Rickmansworth Hertfordshire  <b>Postcode:</b> WD3 3DN

<b>Vacancy Applied For:</b>	<b>Dickinsons Ward</b>
<b>Why would you like to take up a position as a member of Croxley Green Parish Council?</b>  (Please continue on separate piece of paper if needed)	<p>Whilst living in Croxley Green for over seventeen years I have taken an active interest in the community. This has increased in the past five years when the initial proposals to demolish Yorke Road school came to my attention. Attending the Croxley Green Residents Association I supported them against this decision and recorded the events, eventually reversing the demolition. I kept residents informed of events through the CGRA website that I looked after for a few years. Choosing to live here with my family it has become evident that we live in a special place. I have given my continued support to the Croxley Green History Project which records past events that we value and shape today and hope to be a part in helping the WW1 Commemorations a special occasion for Croxley Green.</p>
<b>What skills and experiences do you feel you could bring to this important role?</b>  (Please continue on separate piece of paper if needed)	<p>I am a national sales manager for an International FMCG Company. This role requires me to be open to constructive decision making, evaluating the options and working closely with others. I have achieved a high standard of computer skills. I believe the parish council is an important level of local government shaping the future of our community, trusted and forward-thinking. Parish councillors continue to seek the best opportunities to create a desirable place in which to live and I would endeavour to support them given this opportunity. I am interested to learn the council procedures being part of 'the decision making' that shares these values.</p>
