To: Croxley Green Parish Council

Subject: All Saints' Croxley Green Memorial Doors

Mr Clerk,

Considerable progress has been made with regard to this community project. It is anticipated that completion will take place within the year and therefore within the 2014/18 commemoration. Maximum costs are anticipated at £22,630. The committee are very grateful for the Parish Council's allocation of £5,000 to be available for this project, subject to our grant application being approved.

In view of the total cost now anticipated would the Parish Council kindly consider increasing the grant provision by £2,000 to a total of £7,000.

Thank you for your consideration.

Regards

Nik Bennett

Chairman

All Saints' Croxley Green Memorial Doors Committee
