Dilapidated Billboards

Introduction

Two billboards in Croxley Green have been left in a state of disrepair.

Discussion

On the approach into Croxley Green from Watford, two advertising billboards have been effectively abandoned and left in a bad state of repair. They are incredibly unsightly and detrimental to Croxley Green's landscape and street scene.

- 1. Located to the right of Croxley Car Centre at the bottom of Baldwins Lane.**

- 2. Located to the right of the entrance to the Sea Cadets building on the Harvester Roundabout.**

Recommendations

1. That a petition is created by the Council for residents to sign urging action.
2. That the Clerk liaises with the relevant authorities to ensure that action is taken to either remove or use the billboards.
3. That the Clerk investigates whether the Council is able to purchase the billboards.
