- EA1056/14 Works List
The Chairman introduced this item and invited comments.
It was commented that there appeared to be some litter accumulating on edge of the footpath from Dulwich Way where it joins footpath 10 adjacent to the Community Centre car park. The Clerk advised that this is on the Guild of Sport's land but there had been a damaged litterbin which had to be removed. The Clerk added that it was hoped that TRDC may assist in replacing the bin and if at all possible a second bin at the Dulwich Way end.
In regard to FP17 Mill Lane it was commented that there were some branches that had come down on the right hand side as you proceed down the hill. The Clerk pointed out that this is on third party land but it was suggested that the land owner be approached to take appropriate action.
Resolved:
 - That the Works List for July 2014 be noted.

EA1057/14 Stones Orchard Management Plan

The Chairman introduced this item and stated that a very good report and management plan had been prepared by Mr Bob Lever at a cost of £230. The Clerk advised that via an exchange of emails TRDC had agreed to the Rangers undertaking pruning work in the orchard.

A brief discussion ensued.

Resolved:

- That the Report/Management Plan for Stones Orchard be adopted
- That any pruning works undertaken in the Orchard (with the exception of any necessary emergency or Health & Safety work) be placed on the Works List and a copy sent to TRDC for information.

EA1058/14 Dog Fouling

The Chairman introduced this item and asked the Clerk to elaborate. The Clerk advised that a number of actions as discussed at the last meeting had been taken. The Clerk added that one of the PCSOs had recently witnessed a youth allowing his dog to foul the pavement. The PCSO advised the youth that he could be fined and advised him to go to the Parish Council office to collect some dog waste bags. The PCSO subsequently had asked the Clerk whether the youth had called in to the office and the Clerk advised that he had indeed collected some bags.

Cllr Brading stated that he had spoken with Cllr Shaw about this and it is hoped that it will be raised at the TRDC Junior Council meeting.

EA1059/14 Closure

There being no further business the Chairman closed the meeting at 8.26pm.
