

Revels Procession Survey 2017

The Revels Committee are very thankful for your responses.

Please use the boxes provided to tick the answer to each question.

1. **In your opinion, is the current procession route too long?**

- Yes – it's too long
- No – It's length is ok

Other comments:

2. **If your answer was yes to the above, would you take part if the route was shortened?** The route would include a loop from Croxley House up to the Artichoke and back again

- Yes – This is a better route
- No – The organisation would be too much for a shortened route

Other comments:

3. **Are you currently intending to enter the procession this year? If so, approximately how many people will be taking part**

- Yes – I intend on taking part, with approximately people
- No – I do not intend on taking part this year

Other comments:

4. **Do you think the procession is integral to a successful Revels?**

- Yes – It would not be the same without it
- No – Its separate and does not change the success of it

Other comments:

5. **Do you think the procession would be better if vehicles weren't allowed, and it became a walking event?** This intends to reduce the risk of accidents with vehicles, as well as supporting a green agenda.

- Yes – I think it would be better if it was walkers only
- No – I think vehicles should be allowed

Other comments:

6. **Lastly, do you think the revels should (please tick all appropriate)**

- Keep the procession unchanged
- Keep the procession, but with a shortened route
- Keep the procession, with walkers only
- Remove the procession
