

## **Full Council Meeting – 25 July 2019**

### **Agenda Item CC2027/19**

#### **Social Media Policy**

##### **Introduction**

To amend the Council's Social Media Policy.

##### **Discussion**

Following discussion with some Councillors it is clear that the Council's current Social Media Policy is out of date and does not align with current social media use.

Councillors should be encouraged to use social media in the right way as a tool to connect with residents and to help promote Council activities.

##### **Recommendations**

- Council updates the Social Media Policy
- Councillors submit ideas and suggestions of amendments to the Clerk by Monday September 2
- That the Clerk brings an updated Social Media Policy for ratification by Council to the Council meeting in September

Ryan Bennett  
Clerk to the Council  
July 2019
