

Finance & Administration – 26 October 2023

Agenda Item FA1707/23

Purchase of 3 Noticeboards

Introduction

To purchase 3 additional noticeboards.

Discussion

Croxley Green Parish Council currently operate two noticeboards in Croxley Green. One is situated outside the library and one at the entrance to Weston Wood off Mill Lane.

I propose that the council installs a further three boards to cover other areas of Croxley Green.

I recommend that the boards chosen should match the same style as those already in place. These are from the Classic Range supplied by parishnoticeboards.co.uk.

The price to the Council of one 1500X1200 noticeboard is £1100. These feature 2 x A1 poster casings and is the same size as the one installed at the Library. This will give plenty of space for both Parish Council and community notices.

The Council currently has £1350 in a Noticeboard earmarked reserve, which will be used to help fund the purchase.

Although specific locations will need to be determined with relevant landowners, I suggest that the boards are placed by Rickmansworth School, and at the parades of shops at the top and bottom of Baldwins Lane.

A further paper will be presented to members to confirm the exact locations in due course.

Recommendations

1. That the Council purchases three noticeboards at a total cost of £3300.
2. That the Noticeboard earmarked reserve is used towards the cost of purchase.

Ryan Bennett
Clerk to the Council
